

## Member Profile: Darren Write, Owner of All Points Electric

---

- **What exactly does your company do?**

All Points Electric Ltd. has been servicing the Brandon and Souris areas in Manitoba, Canada since 1991. We offer expert electrical installation and maintenance for both residential and commercial solutions - from repairing lights to Government service contracts. I have a hands-on approach with all aspects of the business, and do the estimating for major projects and contracts.

- **How did you get the idea for your business?**

As an experienced Journeyman Electrician, I began working with All Points Electric Ltd. in June of 2007, through my hard work and enthusiasm for electrical contracting, became the proud new owner in February of 2009.

- **How long have you been at this job?**

I have been an Electrician for over 28 years, starting my career in England and re-qualifying in Canada. The Company was founded in January 1991 by Brent Mathers, with a toolbox and a truck. I began working with All Points Electric Ltd. in June of 2007 and, through hard work and enthusiasm for electrical contracting, I became the proud new owner in February of 2009. Under Darren's direction, the Company continues to flourish, branching out into the Westman and Souris, MB areas.

- **What are the goals for your business?**

Our Company has seen good growth over the past 8 years and plans are to keep expanding and growing.

- **What is your favorite part of your job?**

Seeing a job completed.

- **What is the most challenging part of your job?**

Balancing the work load.

- **What is a product or service your company provides that people might not know about?**

We also do commercial & residential electrical work besides traffic signals.

- **Why is your company a member of the Chamber?**

A benefit of being a member of the Chamber is the ability to connect with other business people in our community and provide networking opportunities.
