

LEADERSHIP BRANDON

2023-2024

Leadership Is You

Leadership Brandon

A program run by Brandon Chamber of Commerce and Westman Immigrant Services (WIS) to provide leaders with next level skills and experiences that can elevate impact in organizations and the community.

Through 10 sessions from September to June, you will develop a broader understanding of yourself, your community, and your role in it. You will be given “backstage access” to our city and experience a unique first-hand perspective of our community. Leadership Brandon is also about building professional networks, and helping you develop as a leader.

Time commitment

Sessions are in-person occurring on the last Friday of each month from 9:00am-4:00pm, except for the last session which will take place from 12:00pm-6:00pm. Refreshments and lunch will be included for all sessions. Participants are responsible for getting their employer’s permission to attend all sessions.
