# PRESIDENT'S MESSAGE

LOIS RUSTON

On behalf of the Board of Directors and staff, I would like to welcome everyone to the 141st Annual Business Achievement Awards & Gala Dinner. The reflective theme of this event creates a perfect opportunity to look back over the wide and varied history of the Chamber; the changes and progress that we have seen over the years both in our community and our business environment.

The true benefit of reflecting on the past, is that it enables us to learn from our history and plan for bigger and better as we move forward. Reflection also creates a perfect opportunity pause and appreciate how far we have come and the success that has been created within our business community. That's what tonight is all about, pausing to celebrate the best and the brightest, both the fresh entrepreneurs and the legendary business owners, and the energy and commitment that they demonstrate within their business and extend to our community. Let's reflect on their success over the past year, and whether you're a winner, a nominee or heading up the cheering section, please join me in celebrating everyone who is recognized this evening.

## GM'S MESSAGE

CONNOR KETCHEN

Welcome to the 141st Annual Awards Gala hosted by the Brandon Chamber of Commerce. As we come together, we are reminded of the remarkable success, resilience, and leadership that our community consistently demonstrates. It is through events like these that we have the opportunity to reflect on and honor the achievements of our local businesses and the collective strength of our community.

We take immense pride and honor in extending a warm welcome to each and every one of you joining us this evening. Your presence is a testament to the unity and support that defines our Chamber of Commerce. Together, let us celebrate the accomplishments of our business community and express our gratitude for the unwavering support that continues to fuel our shared success.

Thank you for being part of this special evening, and for your continued support of the Brandon Chamber of Commerce. Here's to another year of growth, prosperity, and collaboration.

## COMMUNITY IMPACT

# MEET YOUR FINALISTS - INDIVIDUAL

Amy Doerksen

Amy Doerksen founded Fierce Female Hockey in 2022, dedicated to advancing opportunities for women and girls in hockey. Fierce offers skill development camps for U7, U9, and U11 age groups, led and mentored exclusively by women. The enterprise reinvests profits into new programming and provides leadership bursaries for volunteers pursuing higher education.

Amy's commitment to fostering a female-focused hockey community and supporting youth development has fueled Fierce Female Hockey's rapid success. She keeps camp fees low and reinvests in the program, making hockey more accessible to young girls and their families. Amy also volunteers with Hockey Brandon, now in her seventh season.

Chad Wallin

Chad Wallin is the founder of Westman VOLT Hockey, a program enabling individuals with mobility and intellectual disabilities to play hockey in an inclusive and supportive setting. Now in its second year, the organization has 30 participants with conditions such as cerebral palsy, Down syndrome, childhood cancer, and autism. Westman VOLT Hockey aims to revolutionize sports by integrating people with disabilities into the game.

Chad's initiative fosters a team-based environment where participants develop social and life skills while building camaraderie. Under his leadership, individuals have found a space to compete, grow, and excel as champions in their own right.

Glen Parker

Glen is a dedicated community leader with extensive volunteer and public service experience. He served as President of the East End Community Centre from 2021 to 2023, leading successful fundraising efforts for major renovations. Glen coached 24 hockey teams and was President of Hockey Brandon for 17 years, recognized for his commitment to youth sports.

Since 2016, Glen has served on city council, reflecting his strong dedication to public service and community engagement. His multifaceted contributions demonstrate a profound commitment to community development and civic leadership.

# COMMUNITY IMPACT - BUSINESS

Kuiper's Bakery has been a key supporter of the community for over 31 years, providing food, financial resources, and volunteer hours to various organizations and events. They believe that food brings people together, and through their high-quality baked goods, they aim to nourish both the body and the community.

They donate to a wide range of causes, including the Christmas Cheer hamper program, Brandon School Division's Breakfast Program, and United Way. Their donations allow these organizations to redirect funds toward other critical areas. Each year, they contribute over 1500 dozen fresh buns to the Christmas Cheer program, which helps distribute food to families in need. Curtis, the owner, is particularly passionate about supporting cancer-related causes and promoting local athletes, volunteering for both for over two decades.

Kuiper's Bakery's philosophy is straightforward: by baking delicious food and supporting local initiatives, they help build a stronger community. Despite their busy December season, the team at Kuiper's Bakery consistently meets all commercial orders while still supporting those in need. Their commitment to community makes them a valued partner to many organizations in their area.

## MEET THE 2024 RECIPIENT

### TY WORTHINGTON

Owner | Pinnacle Event Rentals

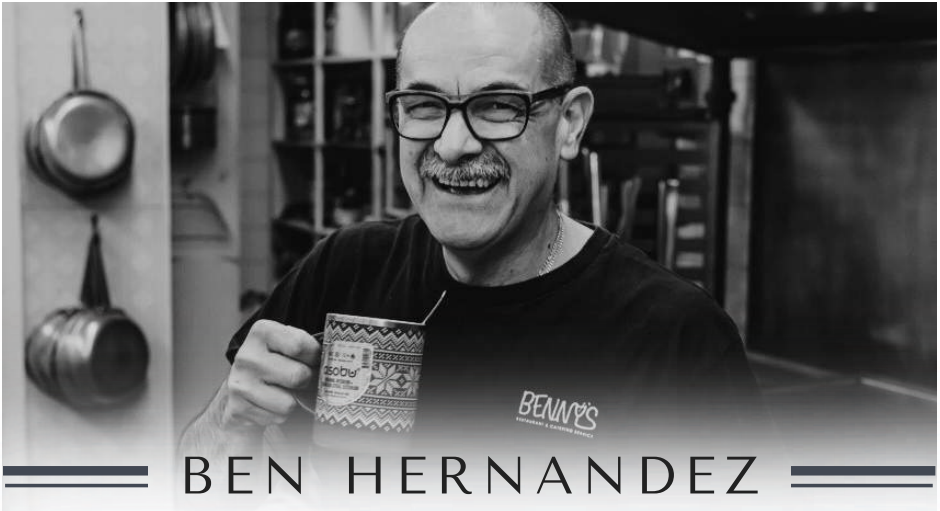

Ty's journey started with a small backyard laser tag venture that evolved into a full-scale event rental business. Through strategic acquisitions, he expanded his company, integrating various brands into Pinnacle Event Rentals.

Successfully navigating the challenges of the COVID-19 pandemic, adapting his business model to ensure stability. He prides himself on creating full-time, year-round career opportunities in an industry traditionally known for seasonal employment. His commitment to a positive work culture and team development has been key to his success.

Beyond business, Ty is actively involved in the community, serving on the boards of Family Visions Inc. and Career Connections Inc., reflecting his dedication to social responsibility and local engagement.

# LIFETIME BUSINESS BUILDER AWARD

## BEN HERNANDEZ

Ben moved to Brandon in 2002, and soon became a pillar in the community with the opening of the well-loved Remington's. Over the years Ben was incredibly involved in the restaurant world, also working at Montana's and opening Five Guys Burgers and Fries.

After Remington's, the dream of opening his own restaurant, Benny's, became a reality with the purchase and re-brand of The Green Olive.

Ben's favourite place to be was the front of his restaurant. There he would greet customers by name - and he never forgot a name. He embodied the highest standards of customer service and community engagement. A friend to all, he was always ready to lend support through volunteerism; community events; and donations to various causes.

It is with profound gratitude that we honour Ben Hernandez for his significant contributions to the Brandon community. His legacy of kindness, commitment, and incredible service will be cherished, and he is deeply missed.
